**4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.**

- The maintenance and utilization of physical infrastructure is done at the local level in all the three campuses of Gujarat Vidyapith. Each campus has just about enough number of classrooms to accommodate students. With the increase in the number of students, other spaces are explored where lectures can be held. It is decided by the coordinator in each campus. Most of the classrooms are equipped with computers and LCD projectors to make the teaching-learning process more interesting and effective. Many teachers use different spaces in the campus for conducting their classes according to the season which turns out to be more fun for the students.
- Each campus has substantial collection of books in the library. Total number of titles exceeds seven lacs. Each year, hundreds of new titles are added in each campus to ensure that students have access to the latest research in their field of study. The library is managed by a Library Advisory Committee which comprises library staff, teachers, and the coordinator of the campus.
- The computer lab is maintained by the Programmer and technical assistants in each campus. The lab hours are scheduled in such a way that all the students get an opportunity to use it for at least one hour every day.
- Each campus has sufficient space for playground which is utilized both students and staff for physical sports. The rural campus at Sadra boasts of three huge playgrounds apart from sports-specific courts such as Volleyball, Basketball, Hockey, Badminton, etc. Each campus has a gymnasium for fitness freaks. The swimming pool of the Ahmedabad campus caters to general public too.
